The Cedar Rapids Hockey Association is a volunteer non-profit group that makes travel hockey available for over 110 area skaters. The association administers the travel hockey program for skaters between the ages of 5-19 years of age. Our hockey community includes boys and girls from the Cedar Rapids community and surrounding areas. Our athletes compete in tournaments and friendship games throughout the Midwest. The CRHA works closely with the Cedar Rapids Ice Arena, the USHL RoughRider Organization and the High School Programs to promote and grow the sport of hockey.

Hockey is an expensive sport to participate in. The purpose of the Sponsorship Committee is to engage the community and seek donations and grants to decrease the overall cost of the game. The Cedar Rapids Hockey Association will spend \$54,000 on ice cost this season. Our sponsorship proceeds will facilitate in the reduction of ice cost, provide scholarships for financial needs, support goalie programs, sponsor special clinic and much more.

Our coaches are volunteers from the community and some are parents of our skaters. They bring decades of youth and amateur experiences to their teaching styles and help develop and instill a complete and lasting love of the game. The CRHA athlete benefits from playing the sport of hockey by being physically active, developing hand-eye coordination, inspiring teamwork, learning coping skills and responsibility, but most important respect for the game, respect for themselves and respect for others.

The vision of the Cedar Rapids Hockey Association is for our athletes to master the fundamental skills of hockey while enjoying the fun of playing hockey, as this is essential to the development of a lifelong interest in the sport.

Your gift is deductible as a charitable contribution as provided under IRS guidelines for 501(c)(3) organizations.

We appreciate your consideration and support.

Thank you,

Jill Johnson

Board President

Cedar Rapids Hockey Association
